## Requirements for evaluation, and display/sale of artworks

The following are minimum standards set by Local Color, of which it is mandatory to fully comply, in order to participate as a showing artist. Works may exceed these standards, but work not equaling all standards set below will not be considered for review or placement within the gallery.

### **Evaluation Process:**

Evaluation is by appointment only. Contact Sydne Albanese at 206.728.1717 or email [sydne@LocalColorSeattle.com](mailto:sydne@LocalColorSeattle.com)

All pieces must be presented for review in the same fashion as will be presented for sale if approved for gallery display.

A minimum of three (3) pieces is required for the evaluation process. In addition to minimum pieces required, artist may include photographs, slides, or portfolio.

### **If approved for showing:**

All work must be delivered by specified date. Work delivered after specified date will not be displayed, and may jeopardize your ability to show for the specified month.

Display pieces must be delivered in the same completed state as presented during the evaluation process. All artwork must be in saleable, professional, and ascetically desirable condition. Wire must be affixed to each piece for hanging or work will not be displayed.

\$50.00 consignment fee is due in full when artworks are delivered to gallery for display.
